PUBLICATIONS

- Locating the Tradition of Mappila Ramayana in the Context of Cultural Grafting** Jul. 2021
Journal- Language in India
 - Conducted an in-depth analysis of the Mappila Ramayana, examining it as a product of cultural grafting influenced by the historical intermarriage of foreign Muslim traders with Indian Hindu women in northern Malabar. Explored the intersection of Islamic and Hindu traditions in shaping the literary and artistic expressions of the Mappila Muslim community.
 - Investigated how the Mappila Ramayana reflects the socio-religious dynamics of the region, illustrating the adaptation and reinterpretation of Hindu epics within an Islamic cultural framework. Highlighted the evolving nature of cultural identities through the fusion of diverse traditions, contributing to the broader discourse on literature, history, and cultural studies.
- Book Chapter: Death and Divinity in Environmental Sustainability** Jun. 2021
Book-Environmental Sustainability and Modern Business Practices
 - Authored a chapter titled "Death and Divinity in Environmental Sustainability" in the book Environmental Sustainability and Modern Business Practices. Examined the philosophical and cultural perspectives on death and divinity in relation to environmental sustainability.
 - Explored how spiritual and religious beliefs influence environmental ethics, sustainability practices, and modern business approaches.
